Hospital Indemnity Plan (HIP)

Cash Hospitalization Benefit Plan

Life is stressful enough when you or someone in your family is hospitalized. You don't need to also be worrying about how you're going to pay for unexpected expenses, as well as household bills and daily necessities.

When you have Hospital Indemnity Plan (HIP) coverage, you also have peace of mind. Simple and straightforward, this plan pays you \$100 per day to use as you wish.

What you receive:

- You receive \$100 per day after your third day of covered hospitalization. So, starting on Day 4, you'll receive \$100 for each day you're hospitalized – for a full 365 days of benefit coverage!
- Benefits start on Day 1 for hospitalization from an accident.
- Receive double-benefits for intensive care.
- Affordable, attractive premiums... and easy payment!
