

Receive your claims information sooner while reducing health care costs

Have you just seen the doctor or been discharged from the hospital? Don't wait on the mail to get information about your claims, just sign up to be notified by e-mail when your claims have been processed and can be viewed online.

After signing up, you'll receive an e-mail announcing new additions to your online claims status page. Replicas of the paper Summary of Claims Processed statement also are available online for members who want to see the familiar documents.

To sign up, follow these **3** EASY STEPS

1. Sign into the secured section of www.bcbsks.com using your user name and password
2. Click the *Request e-mail notification* button under *Claims Status*
3. Enter your e-mail address and click *Submit*.

While in the secure section, you also can review your specific coverage information, including deductible and coinsurance details – all while helping to hold down health care costs by allowing us to save on paper and mailing expenses.
