

# Plan150

According to estimates released by the American Cancer Society in January 2005, more than **1.3 million new cancer cases** are expected this year.

You can plan **NOW** for unexpected out-of-pocket expenses if you or a family member are ever treated for cancer by enrolling in Plan 150.

Affordable protection that can make a **BIG** difference

As a cancer only policy, Plan 150 will pay you cash benefits directly.

## Cash benefits you can use for:

- private duty nursing
- gasoline expenses
- hotel rooms for relatives staying near the hospital
- meals for you and family members

You must be a Kansas resident who lives in any county, excluding Johnson or Wyandotte counties, to apply. Anyone with a known history of cancer is not eligible for this coverage.
