

Save money the next time  
you need a prescription drug

***Ask your doctor  
or pharmacist for  
the generic  
version of your  
prescription drug***

**Generic drugs are:**

- Manufactured under the same strict standards set by the FDA for all drugs
- Sold at substantial discounts
- Chemically identical in strength and dosage form

**Generic drugs...  
The smart, safe, effective,  
low-cost choice.**
