

Sign up to receive your claims information online and you'll be supporting a worthy cause.

For each member who chooses this option, **we will donate \$1 to the American Lung Association.** ALA is the leading organization working to save lives by improving lung health and preventing lung disease through education, advocacy and research.

Besides receiving your summary information faster, opting to receive your SOCPs online is good for the environment because it reduces paper waste; it helps Blue Cross reduce paper and postage expense; and it helps the American Lung Association in the fight for healthy lungs and healthy air.
