

# *About Blue Cross and Blue Shield of Kansas*

---

## **Who We Are:**

Blue Cross and Blue Shield of Kansas (BCBSKS) is a member of the Blue Cross and Blue Shield Association, an association of independent Blue Cross and Shield Plans. BCBSKS is an independent insurance company licensed by the State of Kansas.

In Kansas, the Blue tradition of security has thrived for more than 65 years under the guidance of BCBSKS.

## **Our Mission:**

As the largest health insurer in the state and a major force in the economy of Kansas, BCBSKS continues to lead the way in health care delivery in the state. The company takes pride in its history of service to the state and looks forward to continuing the tradition of Kansans serving Kansans.

## **Mission Statement**

To be the best at providing health insurance in Kansas.

## **Governance:**

Review details about the company's business practices and basic rules followed by the company leaders.
