## Blue MedicareRx Essentials (PDP) 2026 Pharmacy Directory

This pharmacy directory was updated on **06/01/2026**. For more recent information or other questions, please contact Blue MedicareRx (PDP) Pharmacy Customer Service, at 1-866-421-5077 or, for TTY users, 711, 24 hours a day, 7 days a week, or visit [www.bcbsks.com](http://www.bcbsks.com). You may reach a messaging service on Thanksgiving, Christmas and holidays and weekends from April 1 through September 30. Please leave a message and your call will be returned the next business day. Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at [bcbsks.com](http://bcbsks.com). You may also call Customer Service for updated provider information.

**Introduction:**

This booklet provides a list of Blue MedicareRx Essentials (PDP)'s network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and the Blue MedicareRx Essentials (PDP)'s formulary.

When this pharmacy directory refers to “we,” “us,” or “our,” it means Blue Cross and Blue Shield of Kansas. When it refers to “plan” or “our plan,” it means Blue MedicareRx Essentials (PDP).

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to plan enrollees. In most cases, your prescriptions are covered under Blue MedicareRx Essentials (PDP) only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 06/01/2026. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost sharing. We have marked these pharmacies “SAVE” to distinguish them from other pharmacies in our network that offer standard cost sharing.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

This directory is for the state of Kansas including the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network not listed in this directory, please call Blue Cross and Blue Shield of Kansas Customer Service at 1-866-421-5077. (TTY users call 711). We're available for phone calls 24 hours a day, seven days a week.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact Blue MedicareRx Essentials (PDP).

Pharmacies are listed alphabetically by city and by type of pharmacy. The types of pharmacies in this directory appear in this order:

- Mail Order Pharmacies
- Retail Pharmacies, Including Chain Pharmacies
- Long-term Care Pharmacies
- Home Infusion Pharmacies

<b>SAVE</b>	Preferred cost-sharing. Drugs from these pharmacies may cost less than other pharmacies in our network.
<b>90</b>	<b>90-day supply.</b> These are retail pharmacies that offer an extended (90-day) supply of medications.
<b>90+SAVE</b>	90-day supply with Preferred Cost Sharing. Drugs from these extended supply retail pharmacies may cost less than other pharmacies in our network.
<b>24HR</b>	Pharmacy is open 24-hours.
<b>eRX</b>	Pharmacy accepts electronic prescriptions from prescribers.

## Mail Order Pharmacy

You can get prescription drugs shipped to your home through our network mail order delivery program.

For refills of your mail order prescriptions, please contact us 10 to 20 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time.

Typically, you should expect to receive your prescription drugs within 10 business days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact the numbers below (TTY users: 711) 24 hours a day, seven days a week, or visit the pharmacy website
