Advocate+™ Pharmacy Match

Finding the best-matched pharmacy to fill your specialty drugs

Living with a rare, complex or long-term condition can be hard and full of roadblocks. And getting and taking the specialty drugs you need can be stressful. We're here to help.

Advocate+ Pharmacy Match is a program built to make your health care journey easier. When you are prescribed a specialty drug, a care specialist will call you to help you get started, make sure you understand your drugs, answer your questions and connect you with financial help.

Pharmacy Match also has an expanded specialty pharmacy network. We'll match your prescription to a pharmacy that helps you save time and money while giving you the best care.

How Advocate+ Pharmacy Match helps you

Care specialists

Our care specialists make sure you get the care you need. They can help you understand complex medical systems, insurance and costs. They'll also connect you with people who can resolve issues for you.

Help getting started

A care specialist will tell you which pharmacy will be filling your specialty drugs. They'll also share how to contact that pharmacy. They're here to keep you informed, supported and able to manage your treatment in the best way for you.

Financial assistance programs

Our care specialists connect you with programs that can help you pay for your drugs, using a database of 7,000+ programs. And we use fast, automated processes to help you save up to 60% of your time per application.

Support along the way

Our care specialists help you have a smoother specialty pharmacy experience. They offer one-on-one support, streamlined communication and other resources along the way. They'll keep an eye on your prescription status to make sure you get great service from your pharmacy.

To connect with a care specialist, call 833-950-3858.

If you have questions about your pharmacy benefits, call the number on the back of your ID card.
