# Grant Application

**Act now! Grant applications due by Oct. 8, 2021!**

The **Healthy Habits for Life** grant program is offered by the Blue Cross and Blue Shield of Kansas Foundation to help schools address childhood obesity. The Foundation is offering up to \$150,000 in grants to assist schools in implementing programs that promote healthy lifestyle choices to their K-12 students. These programs must address at least one of three criteria: reduce cardiovascular risk, promote physical activity or encourage healthy eating habits. School nurses, physical education teachers, principals, health or family and consumer science teachers, or other administrators are encouraged to apply.

Funds will be distributed by Dec. 10, 2021, and can be used for programs administered during the 2022 calendar year.

## Section 2

### Important information:

1. Schools must be located in the Blue Cross and Blue Shield of Kansas Foundation service area, which includes all Kansas counties except Johnson and Wyandotte.
2. The maximum grant amount is \$1,000. Grants are limited to one per school but multiple schools within a single district may apply. All funds must directly benefit the needs of the program; funds cannot be used for salary or wages of any person.
3. Past grant recipients are eligible to apply again but must adequately explain how an additional grant would allow them to either expand their existing program or create a new one.
4. **Grant applications must be signed by the school's principal. Applications must be postmarked or received by Oct. 8, 2021.**

## Section 3

### Which healthy lifestyle will your program address? (Check all that apply):

- Reduce cardiovascular risk factors
- Promote physical activity
- Encourage healthy eating habits

Provide an overview of the program.

#### Section 4
