## X. ADMINISTRATIVE TIPS

## **ONLINE ACCESS:** hellofurther.com

With Further, your employees have access to a powerful tool for managing their HSA. By registering with Further.com, your employees can:

- Open an HSA
- Make withdrawals form their account
- Enroll in direct deposit
- Make online contributions

- View recent claims or reimbursement requests
- Create and view a customized statement
- Manage their personal profile
- Request a debit card for a dependent(s)

You can also access forms and enrollment materials at hellofurther.com.

**LOCATIONS:** Multiple Further locations are available for 51+ groups only. If you want multiple Further locations, please complete and attach the Location Addendum (F8928). Locations must be the same across all products administered by Further. If you wish to have different ACH accounts by location, please complete the Group ACH Authorization Agreement Form (X9055).

**COORDINATING WITH AN FSA:** For participants that have a FSA and a HSA, the FSA provides reimbursement for permitted benefits such as vision and dental care benefits until the health plan deductible is met. Once the health plan deductible is met, all Section 213(d) expenses, excluding deductible expenses, are eligible for reimbursement.

This affects only those participants who are eligible to contribute to their HSA. Participants who are not eligible to contribute to an HSA will have a general purpose (Full) FSA.

Please note: If the HSA is not administered by Further or the health plan is not with Blue Cross and Blue Shield of Minnesota, the group is required to manually notify Further which employees are contributing to the HSA. Participants are accountable for submitting the Deductible Verification Form (F8978) to Further to indicate that the deductible has been satisfied prior to receiving reimbursement for 213(d) eligible expenses.

**PLAN DOCUMENTS:** Further sends a Summary Plan Description (SPD) only if part of a cafeteria plan. The documents will be sent to the group contact within 60 days of receipt of the completed Plan Design Guide.
