

Medicare Supplement Select insurance plan map

Reduce your premium when you enroll in a Select insurance plan

Enjoy the same benefits as your Medicare Supplement insurance plan while saving money.

BlueCross BlueShield Kansas Solutions Medicare Supplement Select insurance plans offer a lower monthly premium and hospital network limitations.

With the Select option, you save by agreeing to use a Select network of hospitals for non-emergency services. In an emergency, your services are covered at **any** hospital.

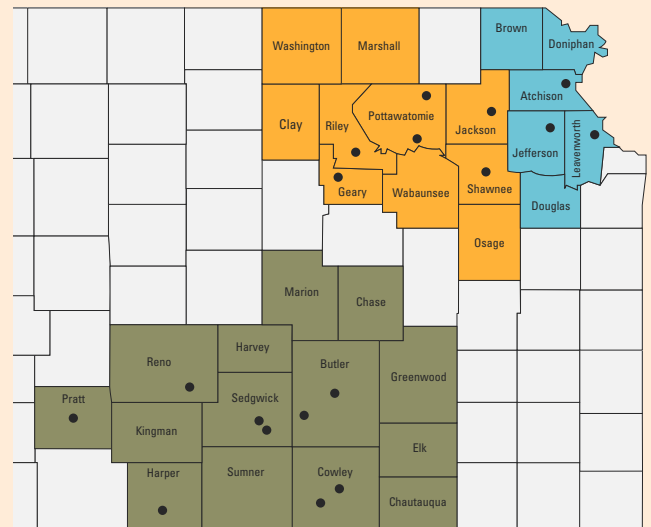

Review the plan map to see if your hospital participates in the Select network, and refer to your **Medicare Supplement Outline of Coverage** for details.

It's that simple, and the savings on monthly premiums are significant.

Save money based on where you live

If you live in Atchison, Brown, Butler, Chase, Chautauqua, Clay, Cowley, Doniphan, Douglas, Elk, Geary, Greenwood, Harper, Harvey, Jackson, Jefferson, Kingman, Leavenworth, Marion, Marshall, Osage, Pottawatomie, Pratt, Reno, Riley, Sedgwick, Shawnee, Sumner, Wabaunsee or Washington counties, you are eligible for BlueCross BlueShield Kansas Solutions Medicare Supplement Select plans with lower monthly premiums.

Map dot indicates Select network hospital. (See back for complete list or visit bcbsks.com/select-network)
